Conception of Programme

Catalyst for Change

The indigenous people of Malaysia, Sarawak in particular, are facing strong challenges imposed by other religions.

Call for Action

To disciple and to defend by training university / college graduates to be disciples of Jesus Christ, and then to empower these graduates to make disciples and to defend their faith.

Check for Targets

1. Born-again Christians
2. University / college graduates
3. Those who are involved in longhouse ministry / BM ministry
4. Those who have a burden for the indigenous people groups
5. Those who are able to utilize Bahasa Malaysia and simple English as a medium of learning

Concerns for Fund

1. Local church is encouraged to support financially, especially for the first three months of training.
2. Methodist Theological School will also help to find donors.
